I'm taking the kids and the father first.

Akasa, take care of the mother!

Gordon, you're in charge of the father!

Roger that!

GUSH

BOOM

Akasa, take care of the kids! Shouchiro, you'll look after the mother!

I'm going to examine the mother!

OK

RATTLE

What?

Be careful

Yo

it has all
come to
nothing—
moneta.

all this happened
although you had
done your best to
lead him to the
right path—

Just
like that?
and all
gone, huh?

was right
or wrong
later on.

we'll know
whether
that path

a clear-out
goal.

if he has

it should be fine
no matter what path
he takes, don't
you think?

but if
it's the
same place
i'm aiming
for...

i don't
know where
he'll decide
to go.

Did you say
something
just now?

huh?

Remote
control

He hid it
in the battery
compartment of
the TV remote
control.

Where
did he hide
it?

SO THAT'S
WHY THE
TV DIDN'T
WORK....

I'm sorry.
It was
just me
smoking.

BATTLE—

Takara-san
was smoking
again?

Sh?

Yes

Iguin-senpai,
I'm counting
on you

Yeah,
yeah

Just...

.....

TIGHTEN

Let us now
proceed to the
surgery room

IT'S WIN
OR LOSE...

I DID EVERYTHING
I COULD...

I READ THE
SURGERY MANUAL
OVER AND OVER,

ALL
RIGHT...

IT WILL
BE ALL
RIGHT...

Professor
Naguchi!

anything
I can help
you with?

Is there

There are
times when
I like to look
at things
up close

Then why
don't you
watch
from the
monitor?

So I thought
I'd just observe
from inside the
room instead.

Today, you'll
be working in
an operating
room where I
can't observe
you from the
outside

I want to
show my face,
at least.

Since he is a
VIP patient,

Then I will

In that case,
why don't you make
the first incision?

Is that so?

IT

HIM.

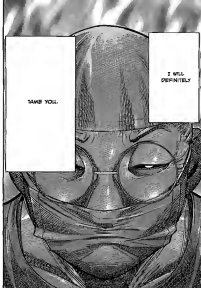

NOW THAT I

KIRISHIMA'S AMBITIONS
WERE PROBABLY TOO

You have only
three grafts,
am I right?

...IT'S

It...

or, at least,
that's what
we'll say to
the patient's
family.

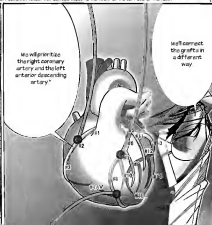

so we had
to modify the
procedure—

The patient's
arteriosclerosis
progressed
faster than
we had ex-
pected.

LEFT ANTERIOR DESCENDING ARTERY — A BRANCH OF THE LEFT CORONARY ARTERY THAT SUPPLIES BLOOD TO THE FRONT OF THE LEFT SIDE OF THE HEART

With this,
the patient's
condition would
still improve to
a certain
degree.

We will prioritize
the right coronary
artery and the left
anterior descending
artery.

We'll correct
the grafts in
a different
way.

There was
no mistake.

Professor
Nagata?

Isn't
that
right.

It's the best
thing to do in this
situation.

We won't

we have

CH. 109
PROPOSAL

Let's
continue the
surgery.

DOCTORS
WHO GET
ENGROINED
BY THEIR OWN
JUDGMENT...

MANY PEOPLE
LIKE YOU—

I HAVE
SEEN

I WILL

...AND
DISTURB THE

THE MEDICAL

SUCH
DOCTORS.

THERE'S NO WAY
I'LL LET YOU RUIN
MY PLAN TO
PERFORM EASY
SURGERIES.

MOREOVER,
THIS IS ONLY
MY SECOND
SURGERY
HERE.

I'LL MAKE
THAT PLAN
MY PRIORITY,
EVEN OVER THE
ELECTORAL
BATTLE.

FROM
NOW ON,
I WON'T DO
ANYTHING
FOOLISH
SUCH AS
TAKING
RISKS.

...of curing it
in. It was my
opinion of a
mere intern,
after all...

Is this
normal, ?

He rejected
my proposal
even before
I was able
to say any-
thing. //

because...

even after
hearing
me out

he'd probably
just reject it

Besides,

I personally have
high expectations
for you.

How-
ever,

And kindness-
sense is someone
who values the
hierarchy above
anything else.

If he were to
do something
that an intern
had suggested.

Kisara-
sensei's
honor would
be crushed.

Because I'm
definitely not in
the wrong...!

he just might
listen to it...!

If my plan
involves the
preservation
of the status
quo,

The gastrosplenic artery...

the way
it is right
now

It
seems
a bit
short

It was
actually
Asada who
taught me
that

Did I
teach him
that...?

What
about it?

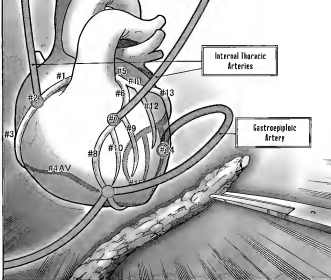

Yeah

then--

But if we
skeletonize it
carefully,

handed making
the reconstruction
possible again.?

don't you think
it would be long
enough to
reach #34.

I'll explain
the condition of
the gastroepiploic
artery...

First,

I know
that's im-
possible...

...to do it?

His skills
aren't good
enough

Kikura-
sensei is
bad at
skeleton-
izing grafts

Talking
me...

Could
you be

we'll never
improve!

don't challenge
ourselves.

If we...

we're
usually
asked to do
only simple
things.

And when
we do get
a chance.

So, if we don't
get to perform
more complex
tasks, we'll never
become as good as
Kishiro-sensei!

13

do something
like this can be
viewed by some as
patient neglect.

I know that
letting someone
like me, who has no
experience,

18

SO
YOU'RE
USING
KIHARA TO
PRESENT
YOUR
CASE.

TSUBUKI-
KUN.

YOU
SURE
HAVE
GUTS.

THE GRAFTS CAN
BE CONNECTED TO
ONLY FOUR PLACES,
AND THUS, YOU'LL BE
ONE PLACE SHORT.

HOWEVER, EVEN IF
YOU'RE ABLE TO MAKE
THE GASTROEPLOIC
ARTERY LONGER AND
CONNECT IT TO R34,

I'm sorry.

HOW-
EVER
...

THAT
ATTITUDE
IS NOT
BAD.

YOU'RE
TRYING TO
CONVINCE
ME WITH
A SIMPLE
CASE.

BUT YOU
PROBABLY
HAVE SOME-
THING PLANNED
FOR THAT
AS WELL.

but that would be unnecessary

But...

It would be dangerous to keep him on the heart-lung machine for along time

As you can see, the patient's kidneys are damaged

but he will have
heart failure
the next time he
experiences a
heart attack!

Doing this
might seem
impulsive,

And
when that
happens...

don't you
think a complete
revascularization
is necessary?

...since his
blood vessels
are blocked
at a degree
of 99%,

Then,

...the situation
will be fatal

we go with
your plan,

...ensuring
that

if we face
unforeseen
complications
that will
consume time
and ultimately
result in renal
failure?"

what will
you do

and even I
won't be able to
help you out

When that happens,
both *kiyama-sensei* and
you will be in trouble,

It would
be fine
if it were
only me.

ME?

And who
will take
the blame
for it?"

Therefore,
doing that
can also lead
to a fatal
situation.

which means
that he'll be held
responsible
as well

But in
this case,
Moguchi-
sensei is
with us.

Do you think...

putting the
professor and
your colleagues
into trouble?

...your idea is
that good that
you would risk

yet he's
making it
sound like
it's for the
good of the
patient.

He's only
saying that to
avoid taking
a risk.

I've lost

Isn't this
great..

*Noguchi-sensei
would never agree
to my proposal. If*

*Even if
I manage
to convince
Kiriharu-
sensei,*

*There's no way
I can break through
the status quo,
is there. ?*

*Just give in
already..*

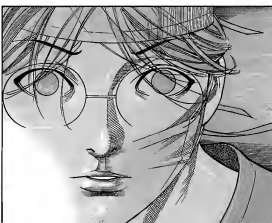

*tried
hard enough,
haven't I?*

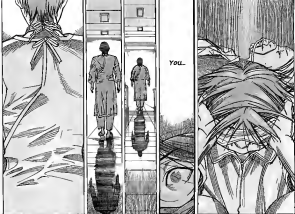

I have

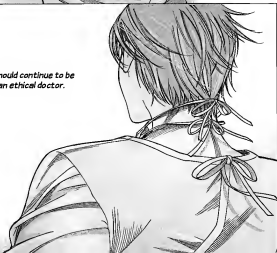

*I will just
make a worse
impression if
I oppose them
any further.*

*To begin with,
it's not as if
I like this guy
enough that
I would risk my
life for him.*

*...should continue to be
an ethical doctor.*

24

I am

confident in
my skills.

He can't
sue to
help you.

Asada
is handling
an urgent
case right
now.

and neither
can I.

I'm
confident
that I can
perform the
necessary
procedure
in time.

Zuh-Sarasi

I CAN'T
SEEM TO

YET HE
SEEMS
TO KNOW

WHAT ARADA
IS DOING,
EVEN I DO

THAT.

HE

AT HAND.

HE WAS

THIS
IS NOT

ME.

NO.

AM I

THIS...?

WELL,
HE COULD
HAVE KNOWN
ABOUT IT BY
CONCERNANCE.

THIS IS
SOMEONE FOR
CITIZENSHIP-
RIGHT? RIGHT?

IT IS A

COMMUNITY.

HE

FACT THAT
HE SAW

WITHOUT AN
HONORIFIC.

"SUNSHINE"

I'LL USE
SUNSHINE-KUN
TO KNOW
MORE ABOUT
THIS MATTER...

I DON'T
FEEL TOO
COMFORTABLE
DOING THIS.
BUT...

let the
chance get
away?

I won't

what do
you suggest we
do about the
remaining
piece?

but even if
we make the girl
trapped in Lory
longer, we'll be
able to connect
only four pieces.

No

You mentioned
using the three

...if we

then
connect it

THE DRAFT, WHICH IS
MADE BY CONNECTING

Right,

Why
don't we try
Gudo-sensei's

My judgment
is better.

It would be
too risky to
allow the patient
to stay connected
to the heart-lung

too long.

Like I said,
I'm confident
that I can do
it, Goro.

He doesn't
have enough
experience to
make the right
judgment.

Whether or not
you're a specialist,
Gudo-sensei does
not matter. Truths
will win out.

Then,

shall we call
Asoda-sensei?

Then
he'd laugh
at me.

He might
even say that
I'm inferior to
the inferior he

He's
going to

Proceeding
with skulking

you say?

Keep
alert.

do some-
thing like
that?

Why
should I,

Well,

And
that is
all that
matters
here

I was
the one
who said
that

I just
decided
to do the
surgery in
my own
way

That an
intern had to
cover up for me
is something
that you
made up

an intern
had to cover
for you and fix
your mistake

No matter
what you
may say,

It was
still a
mistake.

Even if
it was
small.

You will do it.

No,

There's
no need for
me to do the
same

you
should
just keep
alert.

Is
that
okay.

the
beginning
of your
lecture

That
will be.

Are they
having an
argument?

What
are they
talking
about?

You
don't
need to
help it.

I
already
found
out.

You
have a
strong
complex
towards
Avalon,
do you
not?

After
all.

right
now, I need
to concen-
trate on my
work!

No,

so you
don't want
to do some-
thing as long as
keeping silent.
I understand
that.

Your
pride is
in your
way,

Or did
you'll lose
something
even more
important,
don't you
think?

but
that's
exactly the
reason why
you need
to keep
silent.

lick
it all
up.

I
would
calmly

Complexes
are foolish.

are like
poison to all
those who fight
for power.

And
these
feelings of
wanting to
protect
one's
pride.

pride
will follow
by itself.

Simply
go for the
things you
will profit
from the
most.

If you
do that,

Don't
put pride
before the
battle.

Become
like me.

will
forever
remain
losers.

Those
who cannot
do that,

you
are a
smart
person

I
believe,

Please
make your
decision by
the end
of the
surgery

This is
of I have
to say
at this
point.

IS RIGHT.

NOBLE-ONE

I SHOULDN'T
HAVE ANY
PROBLEMS.

IF I
THROW
AWAY MY
PRIDE.

PEOPLE
CAN'T
CHANGE
THAT
EASILY.

HOW-
EVER.

BY
SHOWING
OFF HIS
STRENGTH.

HE'S JUST
TRYING TO
STAND
ON TOP.

NOBODY
UNDER-
STANDS
THAT.

OF
COURSE.

AND
EXPOSE
MY FEEL-
INGS.

HE'S JUST
WAITING
FOR THE
MOMENT I
DO THAT.

RIGHT NOW,
I CAN'T ALLOW
MYSELF ANY
DOWNSIDE
IN THE
SITUATION.

IN THE
END, I HAVE
NO OTHER
CHOICE BUT
TO KEEP
SILENT.

IT CAN NEVER
FIGHT AGAIN.

I KNOW FULL
WELL THAT IF A
FIGHTING DOG
HOWLS ONCE,

I NEED TO
KEEP WO-
ULF UNDER
CONTROL!

I NEED TO
STAY CALM!

IT

It looks

well!

I'm done

Please

I CAN
NOTICE
HOW YOU
ARE A MAN
WHO WAS
SHAPED BY
DEATH.

WHEN I
SEE YOU
DEFYING ME
AND DOING
EVERYTHING
YOU CAN TO
FOLLOW
THROUGH
WITH YOUR
PLAN.

LOUGH-

AGORA WAS
WAY MORE
EGOCENTRIC

WELL
FROM
THE
VERY
BEGINNING.

Kristina-

Unexpectedly,
he was also a
very beautiful
guy.

Wow-
huh...

The
first time
I spoke
to him
outside
work.

That
was.

Oh-
right.

If you
won't eat
it, can I
have it?

The
mango
pudding.

What?

WELL, FOR SOME
REASON, WE
WERE ALWAYS
SURROUNDED
BY PEOPLE
WHEN WE WERE
TOGETHER.

THE TWO OF US
DIDN'T
HAVE MANY
FRIENDS.

WE WERE
WORKING
TOGETHER
SOONER AND
MORE.

AND
BEFORE
LONG.

IT'S NOT AS IF
WE CHANGED IN
ANY WAY, BUT...

BOTH ME
AND HIM.

THEN, A COUPLE
OF YEARS LATER,
I BECAME THE
ONE WHO HAD
TO RELY ON HIM.

I WAS
LEARNING THE
WAY AND ACQUIRING
SURGICAL SKILLS
NOT BETTER AT
AN INCREDIBLE
SPEED.

did you
let me take
the credit
for it?

Yak,
why.

It
would've
been better
for you if you
got the entire
credit.

I'm not
interested
in stuff like
that.

Gum-
man,

About
yesterday's
patient, if
it weren't
for you, we
wouldn't have
been able to
save him.

ALL HIS

ONTO ME.

HE
RESENT-

CHAPTER 112
WHAT I WANT

I SHOULD'VE
ALREADY
THROWN MY
PRIDE AWAY.

I'VE
DECIDED
TO STAY
MIDIOCRE.

I
NEED
TO STAY
CALM.

HAD TO
FIND THAT
SMALL
OPENING
INSIDE MY
HEART.

NO
KINDS OF
PEOPLE.

WAS SOME-
THING
LIKE THAT
STILL
LEFT
IN ME?

A
COMPLEX
TOWARDS

KEEP

I

TO

THAT
WAS
A BIG
MIS-

NOW-

AN
EDUCATED
MAN, WHO
IS TRYING
TO ACHIEVE
A HIGH
POSITION
IN THE
MODERN
SOCIETY.

I
THOUGHT
NOGUCHI
WAS A
CIVILIZED
PERSON.

UNTIL
NOW.

THIS
MAN

A MERE
SAVAGE.

IS
NOTHING
BUT

IF IT'S THIS
MAY, IT'S
POSSIBLE
THAT HE
WILL THROW
ME AWAY
AND SWITCH
TO KIDOLU.

UP UNTIL NOW,
I THOUGHT HE
WOULDN'T BE
ABLE TO CUT
ME OFF SO.

HE WOULD
NOT MIND
BEATING DOWN
THE PEOPLE
AROUND HIM
TO GET WHAT
HE WANTS.

HE IS A
MAN WHO
WILL USE HIS
INTELLIGENCE
JUST LIKE
A CLUB.

THE THINGS
THEY WANT ARE
DIFFERENT,
BUT THEY
WOULD BOTH
USE VIOLENT
MEANS IN
ORDER TO
OBTAIN THEM.

POLITICAL
POWER
AND THE
LIVES OF
PATIENTS.

AGORA IS
ALSO A
GRABER.

IF I
THINK
ABOUT
IT.

WHAT

UNLESS I
FIND THE
ANSWER
TO THAT
QUESTION.

IS IT
THAT I
WANT?

AND THE
VIOLENT
NATURE OF
THEIR.

I have to redo it.

I got the anaesthetized part...

I shouldn't rush like much...

Let me trim the anesthetized part

Hand me the needle holder.

without saying anything

He's poking up my ass.

I feel
reassured!

I can
do that!

But
since
Kishima
took over
for me,

That
wasn't
something
an intern
such as
myself
should've
done.

I went
with the
flow and
started
suturing

NO
MATTER
WHAT I
DO...

I JUST CAN'T
GET RID OF
THIS STRONG
SENSE OF
LOSS.

I WONDER
WHERE I
SPENT IT...

THERE IS A

OF ME THAT

FOR
THAT

THERE
ARE A

IS IT

what
about your
mother?

She's always going
to his place to sleep.
His apartment, he
really hated it
though.

My mom
is doting on
my younger
brother

he's making
us relax with
breakfast.

after she
her body got
worn out and
she stayed in
bed a lot.

my mother
said that
to me when
she was
well over
forty.

I see...

BECAUSE
SHE WAS
SO OLD.

SHE
STOOD OUT
AMONGST MY
CLASSMATES' PARENTS.

EVEN SO, SHE
ALWAYS CAME
TO ALL SCHOOL
MEETINGS AND
EVENTS.

HATED THAT
MOTHER
OF MINE.

I

EVEN
AFTER MY
MOTHER'S
DEATH,
THIS
DIDN'T
CHANGE.

I GOT
ATTACHED
TO MY
FATHER.

AND
TRIED
MY
BEST
TO
LIVE
UP
TO
HIS
EXPECTATIONS.

I GOT
A NEW
MOTHER.

NOT
UNTIL

LIVE
THAT
DOWN.

I
COULDN'T

WAS
MUCH
YOUNGER
THAN THE
WOMAN IN
MY MEMO-
RIES.

I REALIZED
I HAD LOVED
MY MOTHER
ALL ALONG.

AT
THE
TIME.

I THOUGHT OF
HER YOUTH AS
AN OBSTACLE TO
MY MOTHER.

I COULDN'T
FORGIVE MY
FATHER FOR
CHOOSING
SUCH A
WOMAN.

NO
LONGER
HAD ANY
MEANING
TO ME.

THE
NOTION OF
FAMILY.

ALSO HAD
NO FAMILY.

ALSO

TO FIND
THAT OUT.

IT
TOOK
ME 2
YEARS

HE
SOLD HIS
HOUSE
TO PAY
THE
Tuition

SO HE
ALSO HAD
NO PLACE
TO GO
BACK TO.

WE WENT
TO THE SEA
TOGETHER.

ONCE
DURING
vacation

NEAR MY
FORMER
HOUSE.

TO THE
SEA

THAT
TIME.

I HAD
FOUND A
REPLACEMENT FOR
THE LOST
FAMILY

AT
THE
SEA.

*I'm
sure
of it.*

It
was

DID I

WANT TO
KEEP THAT
BOND WITH

NO.

THE
ONE WHO

BOND.

IMPOSSIBLE!

IMPROVED

AND THE ME,
WHOSE CAREER
IN THE MEDICAL
OFFICE WAS
GETTING BETTER
AND BETTER.

THE LINK OF
TWO COMPLETELY
DIFFERENT PEOPLE
JUST HAPPENED TO
INTERSECT FOR A
MOMENT THAT
WAS ALL.

THAT
TANK
BY THE
SEA.

THE
BOND

GOT
BROKEN
BEFORE
THAT.

the one
who caused
that medical
mistake!

I
want

why are
you here?

I heard
you'll work
for an
NGO

Why
don't you
protest
more!

if you get
the nurses
that were
present to
testify.

You should be
able to prove
your innocence.

BECAUSE
HISAKO COULDN'T
OVERTHROW
ME ANYTIME
IF HE WANTED
TO DO SO.

WAS
AFRAID.

I

I WAS ALSO
CERTAIN THAT
HE WOULD
NEVER TELL
THE TRUTH.

HOW-
EVER,

OH AT
LEAST
TAKI'S
NOT A
THUG!

I won...

IT'S
NOT
AS IF

HIT me
will you?

Hit me
Asada!

Hit me!

DID I
SHOUT
SOME-
THING
LIKE
THAT...

SO
WHY

Asada!

I FELT
GUILTY
OR ANY-
THING.

I UNDER-
STAND.

NOW,

I
WANTED
TO

DESTROY
EVERYTHING.

I
WANTED
HIM TO

GET RID
OF MY
CAREER
AND
FIGHT.

TO HOW I
WAS WHEN WE
FIRST MET.

AND GO
